OUR SERVICES

01 SHIPPING AGENCY SERVICES

We provide comprehensive vessel clearance solutions, ensuring compliance with all regulations for efficient port operations. Our experienced team facilitates seamless shipping processes, allowing you to focus on your core business.

02 FORWARDING & CUSTOMS CLEARANCE

Our forwarding and customs clearance services cover all aspects of import and export cargo, from cargo declaration to permit applications. We ensure timely and compliant processes tailored to our clients' needs.

03 SHIP TO SHIP

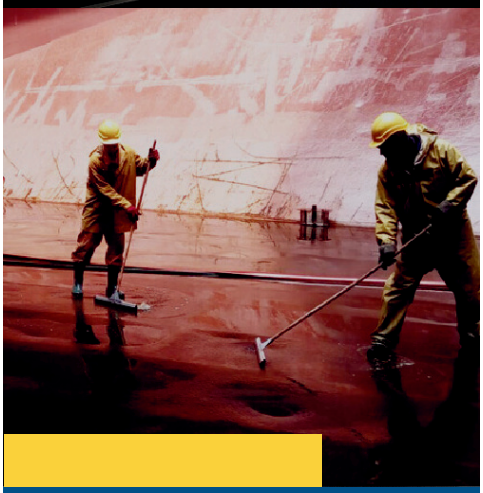

A ship-to-ship transfer involves the transfer of cargo between two vessels while at sea or at OPL (outer port limit). This process is crucial for various reasons, such as transferring crude oil, bulk cargo, or other petroleum products. STS operations are typically performed to optimize port calls, bypass port congestion and port congestion surcharges, or transfer cargoes that are challenging to handle in a traditional port call.
